STATE BOARD OF EDUCATION

HEA 1427 Requires SBOE To Adopt “College and Career Readiness Standards”

- State Board of Education required to perform a “comprehensive evaluation of the common core standards”
- State Board of Education required to “adopt college and career readiness educational standards” by July 1, 2014.
- “The educational standards must meet national and international benchmarks for college and career readiness standards and be aligned with postsecondary educational expectations. The state board shall implement educational standards that use the common core standards as the base model for academic standards to the extent necessary to comply with federal standards to receive a flexibility waiver under 20 U.S.C. 7861.”

FINAL APPROVAL STEPS

- LSA working on fiscal impact report required by statute
 - OMB report indicated the implementation cost differential between a consortium developed test and customized test is minimal. However, Indiana would have to invest, in addition to the budget appropriation for assessment of 30M, approximately \$9M-10.5M to develop a customized assessment.
